

FIRST DAY®

Receive all of your digital course materials before the first day of class at a significant savings with First Day®!

ACCESS, CONVENIENCE, AFFORDABILITY

HOW IT WORKS

- **Register for Classes** – You will automatically be enrolled in the program for your participating courses and digital materials will be available on the first day of class
- **Access Course Materials** – You will receive an email notification on the first day of class, and your materials will be available digitally in D2L/Brightspace

GET AN EDGE ON ACADEMIC SUCCESS

Required materials are available digitally on or before the first day of class

SAVE MONEY

Students save on average 32% on the cost of course materials in participating courses

REDUCE STRESS

Program gives students one less thing to worry about at the start of class

PREPARING STUDENTS FOR SUCCESS

7/10

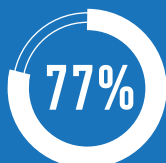

students said the program allowed them to be actively engaged in their course and improved their performance

“Being able to start the semester the first day helped me get ahead and achieve a better grade in the course!”

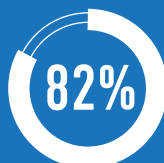

- Student at Polk State College

of students reported that with the program they were **better prepared** for the academic term

of students said that the program had a **positive impact on their success**

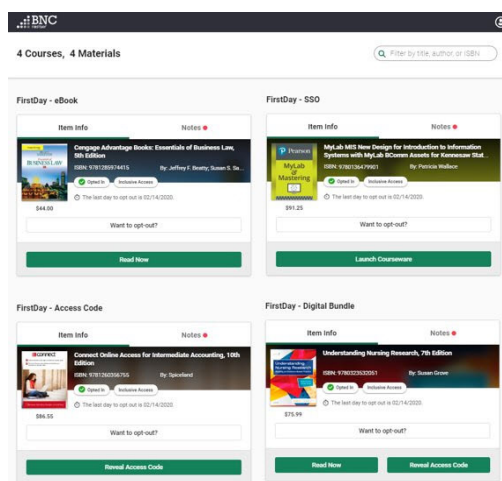

of students **preferred the convenience** of digital materials

“It is very convenient and helpful. It is always with you and can fit in your pocket, this makes it accessible more often and leads to better grades.”

- Student at Tarrant County College

Accessing Your Materials

To access your course materials, log into D2L/Brightspace using your school credentials and click the Course Materials link. There may be various ways in which your course materials will appear on the below page. Contact your professor with any questions.
